Dear Admiral Turner:

On behalf of the National Council of Community World Affairs Organizations, I wanted to take this opportunity to thank you again most sincerely for the excellent briefing and questions and answers session which you had with us last week Tuesday. All of us found it not only interesting to meet with you at CIA headquarters, but also gained a good deal of useful knowledge concerning your own approach to CIA activities and operations. At a time when there has been so much public criticism of the agency, it will be particularly useful for the NCCWAO organizations to have both this information available and the valuable insights which you provided.

We appreciate very much the time afforded to us for this meeting and I am sure that many of us will be approaching you for speaking engagements in the near future.

Most sincerely,

Carol Ellen Bauer

Dr. Carol Edler Baumann
